

A Christian Neighborhood Watch Ministry

An Open Letter to the Churches

Dear Church,

Today, Gang Watchers Ministries is reaching out to all area Churches to let them know that GOD has called many of us in the “Body of Christ” to perform this mission of reaching out to gang members. It is a ministry that will require the collective efforts of many Christians - from all of our Churches.

Today, someone special may contact you and ask for help. He or she may or may not be involved in a gang but they will still need you or your Church to lead them to our Lord and Savior, JESUS CHRIST.

Today, you may also receive contact from a member of Gang Watchers, asking you or your Church for assistance. Gang Watchers may ask your Church to take in a newly converted gang member from your area or to come with Gang Watchers to visit them or their family.

Today, Gang Watchers may contact you or your Church if they are patrolling in your neighborhood or may ask you to join them on a patrol. They may even contact you if they become aware that someone from your Church is involved in gang activities.

Today, Gang Watchers is in contact with our local and state authorities regarding this ministry and organization. Secular research has told us and our legislators that gang members are recruited as early as nine (9) years old and programs that last over ten (10) years and incorporate GOD work better than any single government or private program. **The world now tells us ... the Church must be involved !**

Today, Gang Watchers may contact you asking for prayer and guidance for themselves. We need to hear from GOD on a moment by moment basis. We need to always have evangelism on our minds. We need to be ready to go when GOD says go and speak when GOD says speak. And we need to know that you will be there for us when we need support ... of any kind.

Reaching out to gangs is a mission field that very few understand or even venture into. We will go, because we are called. We will go, because they need GOD. We will go, because they want out. **We will go, because ... JESUS told us to go !**
