Mission Statement of Gang Watchers

www.gangwatchers.org

Gang Watchers first mission is to **GOD**. Without Him we are nothing and are prone to miss the mark. It's His Goodness and Mercy which allows us into His Presence, creating a desire to change for the better. GW's also desire GOD's best for those who do not have a relationship with **Jesus Christ**. And, yes, GW's desire this for gang banger's as well.

Second, GW's will work with local Churches in their efforts with directing gang bangers to GOD.

Third, GW's will work with local authority's to develop Gang Watchers into a neighborhood watch program that is effective in decreasing gang activity throughout the city.

Fourth, GW's will petition legislators to move forward with the “**3 Bust's and It's On**” legislative proposal, drafted on August 27, 2005.

And finally, GW's will move forward to initiate a “**3 Bust's and It's On**” people's proposition if our leaders in Sacramento miss the mark in their efforts.
