

A Christian Neighborhood Watch Ministry

An Open Letter to Porterville's Businesses

OPERATION : PEACE TOWN

Dear Citizens and Business Owners of Porterville,

Today, Gang Watchers - a non profit Ministry - is reaching out to the local businesses and community groups regarding gangs and gang violence with our next interactive phase called ... **OPERATION : PEACE TOWN**.

Since Sept. 21st 2005 Gang Watchers has been very instrumental in reaching out to many gang members with the GOSPEL OF JESUS CHRIST. We were instrumental in bringing together city officials with local groups and Churches. We've taught gang awareness classes to many Churches, clubs and associations. But that's not enough !!!

In **OPERATION : PEACE TOWN** our phase is to begin the process of uniting our business community with all our efforts. The City of Porterville belongs to everyone and we all have a right to live in peace ... including gangs and gang members.

Putting together this project was no easy task. Knowing what was used in the past and what worked was vital in our research. And obtaining "Peace in Porterville" must start with those who know peace and the Prince of Peace – JESUS CHRIST. Anything less would result in a political truce ... amongst gangs and amongst politicians.

So here's what we need you to do as a business owner to show your solidarity with Porterville's desire to have Peace.

Take one or two **OPERATION : PEACE TOWN** bumper-stickers and place them in a visible location in your store or business. This will let your customers know that you support this effort. As well, this will let the local Christians know you have come on board and they in turn will add you to their prayer list ... for peace and prosperity !

And that's it. If someone in asks you what that bumper-sticker is all about, show them this letter or have them give Gang Watchers call **333 G.TOK** or better yet, have them go to our web site at www.gangwatchers.org

Brother LUCKY

See you in the Streets ...
