GANG WATCHERS TO ASSISTS WITH RACHELL WILLIAMS BENEFIT DINNER

On October 30th 2005, an important Benefit Dinner and Fundraiser will be held at the Elks Lodge in Porterville CA. This fundraiser will start at 2 pm and continue until everyone has a chance to have a great dinner and win some prizes.

The proceeds of this dinner will be going to the Williams family to assist them with their daughter's medical needs and reconstructing their home, making it environmentally safe for their daughter {Rachelle Williams} to live in.

Rachelle Williams, on August 8th 2005, was the victim of a drive by shooting in Porterville which almost ended her life. She was severely wounded and will need multiple reconstructive surgeries in the future to repair the damage. Currently she is on a donor list waiting for a transplant. Until she receives this transplant, she must live in an environmentally safe home or place, with no carpets or carpet like materials.

A special "Victims Fund" has been set up for the Williams family by our local Bank of the Sierra. To donate, please stop by the bank and ask for the account that is under the father name - "Fredrick Williams", account number #0221677930.

For up-dates to Rachelle's condition and what the family needs are, please go to www.gangwatchers.org and click on the "Rachelle Williams Story".

Gang Watchers is encouraging all who have children and value their lives to come to this benefit dinner. The cost is only \$20.00 a person and it is very much needed at this time.
